Participation

Completion of Leadership Frankfort requires class members to attend all scheduled functions and full Challenge Days. This policy is nearly universal in community, regional, and state leadership course programs. While the Leadership Advisory Board will excuse a single absence from a Challenge Day with a “make up” assignment proposal, absence from any portion of the remaining Challenge Days will result non-completion of the course for this program year. No portion of the opening retreat may be missed. A course schedule is attached to this application. If you and/or your employer are unable to commit to the attendance policy, it is not in your best interest to apply at this time.

Tuition

If accepted into Leadership Frankfort, you and/or your employer will be obligated for the tuition fee of \$675.00. Tuition covers all required program costs, including room and board at the opening overnight retreat, educational materials and all Challenge Day lunches. The tuition fee must be paid by September 2007. A limited number of partial scholarships are available. Because this fund is limited, the Leadership Advisory Board recommends that you discuss tuition reimbursement possibilities with your employer and community organizations with which you are involved before applying for scholarship. To apply for a scholarship, please include a letter of request with this application.

Application Fee

A \$25.00 non-refundable application fee must be received with your completed application in order for it to be considered. Please attach a check payable to Frankfort Area Chamber of Commerce Leadership Frankfort class.

Your signature affirms that all information included in this application is accurate and may be submitted for confidential evaluation. Your signature and that of your employer (if applicable) also affirms your agreement to course attendance requirements and tuition obligation.
