LIVE AUCTION ITEMS

(All of these LIVE items will have a minimum bid requirement)

Framed Ringo Starr Autographed Drumhead

The beat behind the Beatles, Ringo Starr brought creativity and style to his drum play. He was recently ranked fifth on *Rolling Stones* All-Time Greatest Drummers List, and was inducted into the Rock and Roll Hall of Fame with the Beatles in 1988. He currently still tours at the age of 70 with the All-Starr Band.

Framed Jimmy Buffet Autographed Record Album

The man behind the hit-single gone restaurant chain, "Margaritaville", has been considered by many to be a pioneer in the music industry. His music reminds most of an island getaway, with a laid-back, soothing feel that could only be categorized by creating a new genre of music altogether, "gulf and western". Buffet has brought his feel-good music all over the world with over 35 consecutive years of international tours.

Muhammad Ali Autographed Boxing Glove

Nicknamed "The Greatest", and rightfully so, Muhammad Ali is a bona fide boxing legend. Born as Cassius Clay, this former heavyweight champion of the world boasts a career record of 56-5, with 37 of those wins coming via knockout. He fought in some of the most famous matches of all-time, including "The Rumble in the Jungle" where he defeated George Foreman, and both "The Fight of the Century" and "The Thrilla in Manila", where he split bouts with the great Joe Frazier. In 1999, the BBC awarded Ali the "Sports Personality of the Century" and *Sports Illustrated* crowned Ali as "Sportsman of the Century".

Framed Tom Hanks Autographed Forrest Gump Picture

Forrest Gump is considered one of the greatest epic movies of its time. The famous Oscar-Winning Tom Hanks starred in this film based on a 1986 novel by Winston Groom. The story depicts several decades in the life of Forrest Gump, a naive and slow-witted native of Alabama who witnesses, and in some cases influences, some of the defining events of the latter half of the 20th century.
